

DENTAL QUESTIONS

What is your main concern about your teeth?

Is there anything you would like to change about your smile?

Do you suffer from jaw pain or morning headaches? If so, have you worn a mouthguard?

Is there anything else we should know about your teeth or dental history?

How did you decide to come to our practice?

FINANCIAL ARRANGEMENTS

If you have dental insurance coverage, please bring your card to each visit. We are able to submit claims to almost all insurance plans. With the exception of Medicaid and certain Delta Dental plans, we do not have a contract to accept insurance payments as payments in full. Very few insurance plans will pay the entire cost; you are responsible for the amount not covered by your insurance. We advise you to be fully aware of the details of your plan, and our front desk staff will be happy to assist you in any way they can.

We accept cash, check, Visa, MasterCard, and CareCredit payments. A 5% discount is available if you pay in full by cash or check on the day of service.

I have read and understood the above, and agree to pay all unpaid balances for myself and persons on my account.
